The A.L.A.—What It Is and Does

The American Library Association is an organization of libraries, librarians, library trustees, and others interested in library service. When it was founded in 1876 it initiated the popular library movement in America and blazed the trail which has developed librarianship as a profession. It now has more than 15,000 members distributed in every state and Canadian province and in every major country of the world. The oldest and largest association in its field, it is affiliated, formally and informally, with more than sixty other library associations here and abroad.

Teamwork characterizes the Association's program. More than six hundred members serve on its voluntary boards and committees each year, generously contributing advice, experience, and time in dealing with specific problems of mutual benefit and supplementing the resources of a headquarters staff. The headquarters office at 520 North Michigan Avenue, Chicago, serves as a clearing center for all library interests.

Objectives

For the duration of World War II the major effort of the A.L.A. is being directed toward helping libraries utilize all resources, including materials, personnel, and management in a vigorous role of service in winning the war and achieving a just and durable peace.

Incorporated under the laws of Massachusetts "for the purpose of promoting the library interests throughout the world . . . by disposing the public mind to the founding and improving of libraries," one of the chief continuing objectives of the Association is complete and adequate library coverage for the United States and Canada.

Other objectives are:

To raise standards and promulgate ideals of library service

To assist libraries to operate with the utmost economy and efficiency

To promote studies which will tend to establish on a solid foundation the library's place in the governmental and social structure

To build for the future of library service

by drawing into the profession some of the best qualified people

To improve the status of librarianship:

By working to advance salary standards

By maintaining an effective personnel and placement service for employers and employees

By increasing professional knowledge through original research

By promoting adequate facilities for professional education

By working for the establishment of scholarships and fellowships

By providing a plan for retiring annuities for its members

Publications

The *A.L.A. Bulletin*, issued monthly and sent to every member, carries news, articles, and reports on the Association's activities. Members are kept informed on progress in legislation, certification requirements, new fields of service, the salary and employment situation, efficient techniques, and successful public relations. Annual conferences and business sessions are held for discussions, exchange of views, and decisions on library matters, and the *Proceedings* are published as a special issue of the *A.L.A. Bulletin*. The *Handbook*, another special issue, is an annual list of officers, committees, boards, divisions, round tables, and a directory of A.L.A. members, state associations, extension agencies, and library schools.

Through the *Booklist*, semimonthly, libraries are kept in touch with current books particularly adapted to their needs and through the quarterly *Subscription Books Bulletin* with subscription sets currently sold which may or may not be useful and reliable purchases. The *Journal of Documentary Reproduction*, quarterly, keeps libraries, museums, and other institutions abreast of developments in microphotography and related techniques. *College and Research Libraries*, a quarterly journal for college, university, and reference librarians, contains educational and library news, book reviews, articles on research, experimentation, and standards in educational and research fields.

The quarterly *Hospital Book Guide*, sponsored by Hospital Library Round Table of the A.L.A. presents reviews of carefully selected fiction and nonfiction. More than 200 publications of the Association—professional tools for all types of libraries—help librarians in administering their libraries efficiently and economically.

Divisional Membership

Divisions of the A.L.A. have been organized for the purpose of promoting library service and librarianship within certain special fields and to cooperate in the promotion of general and joint enterprises within the A.L.A. and with other library groups.

Members of the A.L.A. may become members of a division by compliance with the division's requirements for membership. Upon authorization of a personal member (except Class A members and life members before July 1, 1939) 20 per cent of his dues (not to exceed \$2 annually) will be allotted to a division.

Provisions for divisional membership for Class A members and life members before July 1, 1939, vary for different divisions.

Applications

All applications for membership and remittances for dues should be sent to the Membership Department, A.L.A. Headquarters. All members have the privilege of voting at meetings, have the advantage of any special travel and hotel rates at conferences, and have their names and addresses listed in the *Handbook*.

Members visiting Chicago may have their mail sent to this address and are cordially invited to use the office as headquarters.

A.L.A. Endowment Funds

GENERAL ENDOWMENT FUND\$38,008

A fund which has grown slowly over a period of years. As early as 1886 the question of funding a portion of the Association's receipts was considered. In 1889 the Finance Committee recommended that \$500 representing twenty life memberships be invested in some safe interest-bearing securities. This fund was increased to nearly half its present size by an appropriation in 1921 from *Books for Everybody Fund*. All dues from life memberships are credited to this endowment fund and the income may be used for the general activities of the Association.

CARNEGIE CORPORATION ENDOWMENT FUND\$1,992,839

Created by the Carnegie Corporation of New York under its Resolution B-367 entitled *Ten-Year Program in Library Service*.

Before the time of the World War, Andrew Carnegie, and later the Carnegie Corporation of New York, spent something over \$52,000,000 in public library buildings. But, when building was stopped during the World War to conserve materials, the policy of promoting library buildings was never resumed. Instead, it was decided to help librarians to help themselves to build up library service.

A ten-year period was selected as not too long nor too short in which to demonstrate this type of assistance. One objective of the program was to replace with permanent income the amount of annual grants which the corporation had been making to the A.L.A. so that the Association could plan to better advantage by taking the long view.

One million dollars was granted outright in 1926 by the corporation. But to qualify for any further grant, the Association was required to show a substantial increase in annual income over that of 1925 from sources other than the donor. This was achieved in 1931 mainly through the enrolment of Sustaining and Contributing Members at \$100 and \$25 a year, plus the increased income from regular membership dues. A second million dollars was then added by the corporation to the fund. The income has been used largely for carrying on some of the activities previously supported by annual grants.

THE CARNEGIE FUND\$93,155

This fund of \$100,000 was Andrew Carnegie's reply to a request of John Shaw Billings in 1902, when he was President of the A.L.A., for a special fund "the income of which is to be applied to the preparation and publication of such reading lists, indexes and other bibliographical and library aids as will be specially useful in the circulating libraries of this country." President Billings further urged the gift as "of great value in promoting the circulation of the best books among the people, by the instruction which can thus be given continuously." The main part of the income, it was specified, should be used "in employing competent persons to prepare the lists, indexes, et cetera, and to read proofs."

Across the bottom of Dr. Billings' letter, Mr. Carnegie wrote: "R. A. . . . send

\$100,000 check for this. A.C." It was this fund which brought into existence the *Booklist* which now goes twice a month to approximately 8000 subscribers.

JAMES LYMAN WHITNEY FUND\$2496

Mr. Whitney was a charter—as well as a life—member of the A.L.A. with membership number 59, having joined in 1876. He died September 25, 1910, at the age of 75 at which time he was occupying the post of chief of the Department of Statistics and Manuscripts of the Boston Public Library. From 1882 to 1886 he was treasurer of the A.L.A. and in that capacity he probably learned of the Association's need for funds which may have prompted his bequest.

The accumulated income, which may be used for, but is not limited to, the preparation of bibliographical aids for research workers, was applied in 1940 toward the publication of the *Manual on the Use of State Publications*.

EUNICE ROCKWOOD OBERLY MEMORIAL FUND\$1080

Miss Oberly was librarian of the Bureau of Plant Industry of the United States Department of Agriculture at the time of her sudden death on November 5, 1921. Contributions intended for flowers for her funeral were so many that her friends decided to set aside a portion for a more permanent memorial. Thus, within a few hours of her death, plans were started to perpetuate her memory and at the same time carry forward the work in which she was deeply interested.

Because of her own bibliographical contributions and her appreciation of and belief in the possibilities of service inherent in bibliographical work, the biennial interest on \$1000 is awarded as a prize to the compiler of the best bibliography in the field of agriculture or the natural sciences. Nine awards have been made.

SARAH C. N. BOGLE MEMORIAL FUND\$5072

Sarah Comly Norris Bogle, assistant secretary of the American Library Association at the time of her death, January 11, 1932, and one of the most widely known and loved A.L.A. members, was acknowledged both here and abroad as one of the leading women librarians in the United States, her chief contributions being in the fields of children's work, international library service, and education for librarianship. From 1924 to 1929 she directed the Paris Library School as a demonstration of what a school of international character would mean to the library profession and she frequently represented the A.L.A. at meetings abroad of international library significance. Because of this interest her friends wished the income from the fund to support an international scholarship, enabling librarians of the United States and Canada to study abroad and foreign librarians to study in this country or Canada. In December 1941 the Executive Board made the income available for the duration of the war for the training of refugee librarians in the United States and Canada.

HERMAN H. B. MEYER MEMORIAL FUND\$2000

Created to keep in remembrance the services to the library profession rendered by Dr. Meyer, who served as President of the Association in 1924-25. For thirty years he was a member of the staff of the Library of Congress, first as chief of the

Order Department, later as chief bibliographer, then completing his career as director of the Legislative Reference Library. He retired in 1935 to devote himself to a monumental bibliography of books published in the United States between 1800 and 1870. Dr. Meyer's interest in the training of young people was expressed in his A.L.A. World War service and for many years he performed quite a different service in assisting with the administration of an appropriation of \$100,000 to provide books for the adult blind. He was an ardent collector of fine books.

HERBERT PUTNAM HONOR FUND\$2537

Created and presented to the American Library Association by friends and associates of Dr. Herbert Putnam, Librarian of Congress from 1899 to 1939, and twice president of the A.L.A., in 1898 and 1903-04. The fund was established to honor Dr. Putnam by keeping in remembrance his services to his profession, and by inspiring future generations of librarians to emulate the qualities and accomplishments which distinguished his career.

It is the wish of the donors that the income from the fund be used at intervals as a grant-in-aid to an American librarian of outstanding ability, for travel, writing, or other use that might improve his service to the library profession or to society.

THE ASSOCIATION welcomes other gifts either in cash or in the form of endowment and trust funds. Such gifts may be made as an honor or memorial fund in the name of an individual or for special purposes.

Sec. 4. *Travel Rates.* The advantage of reduced travel rates secured by the Association shall be available only to those holding personal membership or representing institutional membership in the Association and to members of affiliated societies.

Article III. Nominations and Elections

Sec. 1. (a) Prior to each annual conference of the Association the Executive Board, upon recommendation of the president-elect, shall appoint a Nominating Committee of five members, no one of whom shall be a member of the board, to nominate candidates for elective positions. One of the class A, B, or C library members of the Association shall be appointed on such committee each year.

(b) Such committee shall nominate candidates for the positions of president-elect, second vice president, and treasurer; for two members of the Executive Board for terms of four years each; for six members of the Council for terms of four years each; and to fill vacancies.

(c) Such committee may present names of candidates for election to the Executive Board and Council in blocks of two names each. In such case members of the Association shall vote for only one name from each block.

Sec. 2. (a) The Nominating Committee shall report its nominations in the *Bulletin* not less than three weeks before the midwinter meeting of the Council, and shall report such nominations to the Council at the midwinter meeting.

(b) At the midwinter meeting any member of the Council may present a petition signed by not fewer than ten councilors proposing additional nominations. In case nominations for more than two candidates for any office are made by the committee and by petitioners, the Council shall take a written ballot on the names presented. The two names receiving the highest number of votes

for any office shall be the official candidates placed on the official ballot.

(c) No person shall be nominated by the committee or by petition, who is not a member of the Association and whose written consent has not been filed with the executive secretary of the Association.

Sec. 3. (a) Nominations determined as herein provided shall be placed before the members of the Association on a printed ballot which shall be prepared under the direction of the Nominating Committee and which shall be known as the "Official Ballot."

(b) The Nominating Committee shall also include on the official ballot other nominations filed with the executive secretary by petition of any one hundred members of the Association at least three months before the annual conference, provided written consent of these nominees shall have been filed with the executive secretary of the Association.

(c) The professional address of each nominee shall be given on the official ballot.

Sec. 4. (a) The Executive Board shall appoint a Committee on Election which shall have charge of the conduct of the regular election and the counting and tabulation of all votes cast.

(b) At least six weeks prior to the annual conference, the executive secretary shall mail a copy of the ballot to each member of the Association. Ballots shall be marked and returned to the executive secretary in sealed envelopes bearing on the outside the name and address of the member voting, together with the words, "Official Ballot."

Sec. 5. The executive secretary shall check on a list of members the names of all members whose votes were received. The candidate receiving the largest number of votes shall be elected and shall be so reported to the Association by the Committee on Election. In case of a tie vote the successful candidate shall be determined by lot conducted by the Committee on Election.

Article IV. Representation in Council

Sec. 1. (a) Each state, provincial, or regional chapter, and each division, shall elect one councilor for its first 50 A.L.A. members and one additional councilor for each 250 A.L.A. members in excess of 50. Chapter representation shall be through state or provincial chapter unless the state or provincial associations in a certain region elect to take representation through a regional chapter and

so notify the secretary of the Council. Councilors representing divisions shall be elected by mail vote.

(b) At the first election following adoption of this section all such councilors shall be elected for indeterminate terms. At the first meeting of the Council following such election, the terms of all such councilors shall be fixed by lot by the Council, for one, two, three, and four years, respectively, and the terms of such councilors shall expire in accordance with such determination. Thereafter the successors to all such councilors shall be elected for a full term of four years.

Sec. 2. (a) Twenty-four councilors shall be elected by the Association at large.

(b) At the first election of councilors by the Association following the adoption of this article, such councilors shall be elected for staggered terms; 6 each for one, two, three, and four years respectively. Thereafter such councilors shall be elected for terms of four years.

Sec. 3. Each affiliated organization shall be entitled to one councilor.

Sec. 4. All councilors shall be selected for four-year terms and shall serve until their successors are elected and qualified, except as provided in sections 1 and 2.

Sec. 5. (a) Each councilor elected by a chapter or division shall present his credentials, signed by the president of the chapter or division, to the secretary of the Council in advance of the first meeting he may attend after his election. Each such chapter or division, or its president, may elect or appoint, as the chapter or division may decide, substitutes for its regularly elected councilors if such councilors cannot attend a meeting of the Council.

(b) The president of a chapter or of a division may authorize any elected councilor from his chapter or division, who is unable to attend a meeting of the Council, and has no substitute, to give his proxy to another elected councilor, preferably from the same chapter or division.

Article V. Chapters

Sec. 1. State, provincial, territorial, or regional chapters of the American Library Association may be established by the Council at the written request of ten members of the Association residing in the territory within which the chapter is desired.

A chapter may adopt its own constitution

and by-laws, subject to the approval of the Council.

A chapter may admit members who are not members of the Association.

A member of the American Library Association who is also a member of more than one state or territorial chapter shall be accredited only to the chapter in the state in which he resides.

Local chapters may be authorized by the Council, but such chapters shall not have representation in the Council.

A chapter may be dissolved by the Council and shall be dissolved if the chapter becomes inactive or the membership becomes less than the required minimum.

Article VI. Divisions

Sec. 1. On recommendation of the Committee on Divisional Relations the Council may establish divisions under the following conditions:

(a) Any section existing at the present time and consisting of 300 or more members may become a division, or may unite with any other section to become a division, upon approval by the Council of its reorganization as being in conformity with the requirements of this Constitution and by-laws.

(b) By petition of not fewer than 300 members of the Association interested in the same general field of activity, any other group may organize as a division, upon recommendation of the Committee on Divisional Relations and upon vote of the Council at two successive meetings. Under exceptional circumstances the Council may admit to divisional status, groups having fewer than 300 members.

(c) During the five years beginning with the date of the adoption of this section any separate association, whether or not affiliated with this Association, may organize as a division if 51 per cent of the members of such organization are members of this Association.

(d) The Council by a vote at two consecutive meetings may discontinue a division when in the opinion of the Council the usefulness of that division has ceased.

Sec. 2. (a) The purpose of a division is to promote library service and librarianship within the field of its special interest and to cooperate in the promotion of general and joint enterprises with the Association and all other library groups.

(b) Each division shall be organized under

a board of directors with overlapping terms and with authority to make decisions between conferences or meetings of the division, with an executive secretary elected for not less than three years, and with provision for the election of officers and representatives on the Council by mail vote.

Sec. 3. (a) A division may: prescribe any additional qualifications for membership it may desire, including the charging of additional fees; organize sections as it may desire; select its own time and place of meeting; hold closed meetings; retain or adopt a distinctive name; appoint committees to function within the field of its activities; in general carry on activities along the lines of its own interests; and account for its funds solely to its own members.

(b) Subject to the general approval of the divisional board of directors, each section of a division may have the same rights, including the right to nominate its own representatives on committees of the Association.

(c) Each division shall receive 20 per cent of the Association dues paid by each personal member of the division, in accordance with the expressed desire of the member, except that no allotments shall be made for Class A library members or for life members who became such before July 1, 1939, and no allotment shall exceed \$2 annually for any personal member.

(d) Allotments of 20 per cent of dues of institutional members eligible for membership in the division shall be made to the division specified by such institutional members, beginning one year after the total receipts from all membership dues exceed total receipts from all dues in 1939 by an amount equal to or greater than the sum of these allotments from institutional dues and any increase in expenditures caused by reorganization.

(e) Members of the Association may become members of more than one division upon payment of an additional fee of 20 per cent of their Association dues (not to exceed \$2) for each additional division, such fees to be included in the allotments to the division designated; and upon meeting any other qualifications the division may impose.

(f) For any life member who becomes such after the adoption of this section, the Executive Board shall, during the life time of such member, allot \$2 per year to the division expressly designated by such mem-

ber, which designation may be changed from year to year.

(g) Funds allotted to a division are to be transferred to the treasurer of such division at six-month intervals. A report of the expenditures of allotted funds shall be made by the treasurer of each division to the treasurer of the Association annually.

(h) Upon express designation by the board of directors of a division, allotments payable for the members of a section organized within such a division shall be paid to the treasurer of such section through the treasurer of the division. In such case the treasurer of the section shall report annually through the treasurer of the division to the treasurer of the Association upon the expenditure of such allotted funds.

Sec. 4. (a) Only members of this Association may be members of a division, section, round table, or discussion group except as provided for in Sec. 1 (c) of this article.

(b) No authority is granted any division, section, round table, discussion group, board, or committee, except the Executive Board of the Association, to commit the Association as such by any declaration of policy or to incur expense on behalf of the Association.

(c) Provision shall be made by the Executive Board for sessions of the various divisions, sections, round tables, discussion groups, and other groups at meetings and annual conferences of the Association.

Article VII. Round Tables

Sec. 1. Any present existing section of the Association, which does not organize as a division or part of a division, shall hereafter be known as a round table.

Sec. 2. A petition for the establishment of a new round table should state clearly the purposes of and the need for the proposed round table. The petition must be signed by not less than 50 members of the Association who are engaged in the work of the proposed round table, and who thereby signify their intention of becoming charter members of such round table. Before such a petition is granted by the Council, it shall be referred to the appropriate committee of the Council, which shall investigate and report to the Council the desirability of such round table. The Council shall have power to discontinue a round table when, in the opinion of the Council, the usefulness of that round table has ceased.

Sec. 3. Round tables may, if they so elect, charge annual dues, limit their own membership, issue publications, organize state and other groups, and in general carry on activities along the line of their own interest, accounting for their own funds solely to their own members.

Sec. 4. Any member of the Association may become a member of any round table by complying with the requirements for membership, and attendance at round table meetings may be limited to members of the round table. No person may vote in any round table unless a member of the same. The members of each round table shall, at its final session of each annual conference, choose officers to serve until the close of the next annual conference.

Article VIII. Publications

Sec. 1. The Executive Board shall administer all publishing activities of the Association. It shall appoint annually an Editorial Committee of five members of the Association, who are not employees thereof, to advise upon material for publication. The members thereof shall serve until their successors are appointed. The Executive Board shall make an annual report to the Association on its publishing activities.

Article IX. Boards and Committees

Sec. 1. There shall be a Committee on Boards and Committees, which shall recommend to the Council the establishment or discontinuance of boards and committees as the needs of the Association may require. The Committee on Boards and Committees shall define the duties of boards and committees subject to the approval of the Council.

Sec. 2. *Boards.* The Council, with the advice of the Committee on Boards and Committees, may establish boards to consider matters of the Association which in the opinion of the Council are of such importance as to demand continuity in office of the members. Members of all boards shall be appointed for overlapping terms of five years each, but may not be reappointed for a second consecutive full term.

Sec. 3. *Standing Committees.* The Council, with the advice of the Committee on Boards and Committees, may establish standing committees to consider matters of the Association which require some continuity of attention and members. Members of all

standing committees shall be appointed for overlapping terms of two years each, and may be reappointed for a second or third consecutive term but not for a fourth. On the first appointments following the adoption of this article the Executive Board shall designate the length of the terms of appointments, so that terms of half the members of each committee, as nearly as may be, shall expire each year.

Sec. 4. All other committees authorized by the Council, and interim committees authorized by the Executive Board, are special committees. No special committee not authorized by the Council shall be continued for more than two years. The term of appointment for members of all special committees shall end with the fiscal year, but members may be reappointed.

Sec. 5. Beginning with appointments effective at the expiration of the fiscal year next succeeding that in which this article is adopted, nominations for appointments to boards and standing committees of the Association shall be made as follows:

(a) Nominations of members of boards or committees, which by decision of the Council affect wholly or chiefly the activities of one division, shall be made by the board of directors of the division concerned in accordance with the provisions of this article.

(b) For a board or standing committee which by decision of the Council concerns the activities of two or three divisions, the board of directors of each such division may submit not less than two nominations for each position to which it is entitled.

(c) Such nominations shall be presented to the president-elect not less than sixty days before the annual meeting.

(d) For a board or standing committee which concerns the activities of more than three divisions, the board of directors of each such division may appoint an advisory subcommittee. The appointment of subcommittees and executive groups of boards and committees shall be reported to the Executive Board.

(e) For appointments to a board or standing committee which by decision of the Council concerns the activities of not more than three divisions, the Executive Board may return nominations submitted by the board of directors of the division concerned and request additional nominations.

Sec. 6. (a) Not less than two weeks prior

to the annual meeting, the president-elect shall submit to the Executive Board all nominations received by him from the boards of directors of divisions and recommendations received from the Committee on Committee Appointments, together with his own recommendations for appointments to boards and committees. At a meeting prior to the annual meeting of the Association, at which meeting the chairman of the Committee on Committee Appointments shall be invited to be present, the Executive Board shall consider all nominations and recommendations and make its decisions as to appointments.

(b) The Executive Board shall not appoint to any board or standing committee which, by decision of the Council, concerns the activities of not more than three divisions, any member not nominated by the board of directors of the division concerned, unless such board of directors shall fail to submit nominations.

Sec. 7. (a) Each board of the Association, except the Executive Board, shall elect its own chairman. The Executive Board shall designate the chairman of each committee annually.

(b) Any vacancy occurring on a board or

committee shall be filled by appointment by the Executive Board until the expiration of the fiscal year in which the vacancy occurs, at which time appointment to fill out the unexpired term shall be made in accordance with the provisions of Sec. 5 of this article.

(c) Any member of a board or committee, except members of the Executive Board, may be removed by a three-fourths vote of the Executive Board upon written recommendation of either the chairman of the board or committee, the chairman of the Committee on Committee Appointments, the board of directors of a division, or the president of the Association.

Sec. 8. Approval in writing by a majority of a board or committee shall have the force of a vote, provided not more than one member expresses dissent. If one member dissents, the vote shall not be effective until such member has had opportunity to communicate his views to the other members, and a second vote has been taken. If two members on the second mail vote dissent, the action shall fail. Each board and/or committee shall have authority to set the time limit during which the votes of its members will be recorded.

LIBRARY UNIONS

The Library Unions Round Table was formed at the A.L.A. conference in Kansas City in 1938 at a meeting of representatives from unions of library employees.

The L.U.R.T. was organized to pursue the following objectives:

1. To coordinate the work of existing C.I.O. and A.F. of L. unions of library workers, to act as a clearing house of information and advice for these unions, and to assist unorganized library employees in the formation of new library unions.

2. To cooperate fully with the American Library Association in helping to extend and improve library services.

3. To serve as a liaison between the library movement and the organized labor movement and to stimulate fuller cooperation between organized labor and the libraries by making known to labor the services of libraries and by acquainting the libraries with the needs of organized labor.

4. To work for the advancement of the professional status of library workers by raising their economic and educational level.

5. To work for the democratization and modernization of library personnel policies.

6. To promote representation of organized labor on library boards.

7. To undertake bibliographical and other projects of benefit to labor and to libraries.

For the duration of the war against the

Fascist aggressors the main objective of the Library Unions Round Table is to help win the war.

Membership in the L.U.R.T. is open to all bona fide library unions.

Affiliated National Societies

Acting under Article X, Section 1 of the Constitution and upon applications formally made by the proper officers, the Council has regularly affiliated with the American Library Association the following national organizations of kindred purpose which are entitled to a representative in the Council. Their members enjoy all privileges of members of the larger body as to railroad and hotel rates and conference hospitalities. Their proceedings may be included in the A.L.A. conference *Proceedings* and they are often formally represented by designated delegates upon the program of the Association. The A.L.A. recommends to those of its members to whom such connection is appropriate, membership also in these organizations.

"Any person officially connected with a law library, state library, or with a general library having a separately maintained law section, may become a regular member upon payment of the annual dues.

"Any law library may become an institutional member upon the payment of such dues as are provided in the by-laws for institutional members. Full-time regularly employed members of the staff of an institutional member, not to exceed eight, shall be entitled to regular membership in the association without the payment of additional dues. The executive committee is empowered to determine whether the institution applying for membership is a law library.

"Chapters of the association may be created and governed under such conditions and subject to such regulations as may be provided in the by-laws.

"Any local or regional law library association, which does not desire to become a chapter of the American Association of Law Libraries, may, nevertheless, become affiliated with the association under such conditions as may be provided in the by-laws, and, in the absence of such conditions, subject to such regulations as the executive committee may establish.

The executive committee may, after having made a proper investigation, recommend to the members of the association that a charter for such a chapter be issued to such members, or if they represent a local or regional organization already in existence, to such organization, provided, however, that no charter for a chapter shall be issued except as hereinafter set forth:

"a. The formal name of every such local or regional organization must clearly indicate that it is a chapter of the association.

"b. No chapter shall adopt a constitution or by-laws inconsistent with the constitution and by-laws of the association or engage in any activity in conflict with the program of the association.

"c. All dues collected from members of the association who are also members of a chapter shall be divided between the association and the chapter according to the following scale:

"1. For each regular member paying annual dues in the sum of \$5, the chapter shall receive \$1 and the association shall receive \$4.

"2. For each regular member paying annual dues in the sum of \$3, the chapter shall receive \$.50 and the association shall receive \$2.50.

"3. Such local and regional members shall not be considered members of the American Association of Law Libraries, shall not hold the office of president of the chapter, and shall not have any of the privileges of members of the association."

"The annual dues of associate members shall be \$10 per year.

"The annual dues of institutional members shall be based upon the number of full-time persons employed by such institutional members according to the following scale:

"Libraries having one or two full-time persons in their employ shall pay \$10 per year;

It is also cooperating through its joint committee with the Association of American Law Schools in the inspections of law school libraries, interpretation of law school library requirements, and the compilation of statistics. In an effort to raise the standards for law librarians and to make possible an improved library service in the law schools, its Committee on Cooperation with the Association of American Law Schools recommended that each member school be required to have a librarian whose major interest is the library itself and whose principal activities are devoted to the management and operation of a law library. (See *Law Library Journal* 29:138-41.) This recommendation of the American Association of Law Libraries was adopted by the Association of American Law Schools at the annual meeting held in Chicago, December 1937. A.L.A. Books and Pamphlets

November 1942

THE American Library Association endeavors to publish the books, pamphlets, leaflets, and other aids in the fields of librarianship and bibliography which are needed by the library profession and by users of books. A.L.A. publishing is a nonprofit, cooperative enterprise conducted for libraries and in the interest of library progress. Generally, because of limited demand, editions are small. Publications are priced to cover only manufacturing and distribution costs, and, for that reason, no discounts are possible.

To receive A.L.A. publications immediately upon publication, *Standing Order* subscriptions may be entered for all titles or for specific classes of material—i.e., books of interest to colleges, schools, children's librarians, etc.; or new issues in series. Books are billed when delivered—and a 10 per cent discount is offered on the actual number of copies of each title subscribed to and billed on *Standing Order*. Subscribers may return any titles which are outside their field of interest, or are not suited to their needs.

All publications are in paper covers unless otherwise designated. Accounts are opened only with institutions and with individuals who are members of the A.L.A. Postage and express are prepaid on all shipments within the United States. Remittance—stamps acceptable—should accompany orders for less than 50 cents.

A.L.A. Rules for Filing Catalog Cards. A System of Rules for Arranging Cards in a Dictionary Catalog. Subcommittee of A.L.A. Editorial Committee, Sophie K. Hiss, chairman. 1942. 109p. Cloth, \$2.

Five years were required to complete this important project undertaken by a special committee with the assistance of many catalogers. Supplies more examples and more alternatives than are provided in the Pittsburgh, Cleveland, Cincinnati, and other codes. Alternative rules, mostly in the appendix, are admitted only where the needs of different types of libraries or of special collections must be recognized. To call attention to rules most useful to small libraries, and to those wishing to do relatively simple filing, an appendix provides a list of the rules and a comprehensive example to serve as a simple basic code.

A Library Classification for Public Administration Materials. Sophia Hall Glidden, Dorothy Marchus. 1942. 512p. Cloth, \$6.

Great expansion in the field of governmental activity and a conspicuous development of public administration as a recognized body of knowledge made necessary a complete revision and amplification of the Anderson-Glidden *System of Classification for Political Science Collections* (1928). Outstanding libraries throughout the country were visited and their needs and subject boundaries studied. The decimal type of notation on which the scheme is built is sufficiently flexible to provide both for the utmost expansion where necessary and for compactness when expansion is not required by the size or subject emphasis of the individual collection.

This work will be of greatest value to most library catalogs from the subject heading angle. No general subject heading lists available today offer an adequate treatment of the ramifications of this field. Even general libraries will find much assistance in the judicious application of the combined index and subject heading list which is an integral part of the scheme. Each right-hand page is blank for additional notes. Published by A.L.A. and Public Administration Service. Orders should be sent to the Public Administration Service, 1313 E. 60th St., Chicago.
